March 9, 1943.

Dear Elwood:

I wish to send you my heartiest congratulations upon your selection as the person to whom the 1943 Massillonian is dedicated. It is a fine honor and one which you richly deserve. One of the happy moments of my life took place when I enjoyed the same experience in 1937.

You have done a fine coaching job in the face of a most difficult situation. Due to conditions over which nobody has control, you have not had the same opportunities to succeed that some of us who preceded you enjoyed. Without complaining, you have gone ahead in your sincere fashion and have simply done your best. Your record indicates that you have succeeded admirably. However, even more important than this is the fact that the boys who have played for you have liked you. The Massillonian reflects this feeling, and to me, this is the real test of a fine piece of work in our profession. I congratulate you most heartily.

Sincerely, Paul C. Brown

Dear you,

you see it was like this.
we were sophomores once, too,
although you'd never know it
now. We bought elevator passes,
chapel seats, and fell eagerly into
the many traps set by the
wizened seniors. We have gone
through the mill - and we place
our stamp of approval on old
Washington High. It has its
headaches (and a heartache on
occasion) - but when it's all
over, you're glad and proud
that you had sense enough
to hold on when the going
got tough - to make a good
record - to graduate from
the world's best high
school.

Telephones ring—fond mamas and papas come to call—Bill has been sent out of class—there is a hubbub in that study hall—who broke the window—who skipped the ninth period—who talked back to Miss Blue?—Teachers to employ and schedules to make—students to discipline and students to guide—war programs to organize—scrap drives, Red Cross drives, levy campaigns, rallies, chapel programs—public appearances, community service—everybody owns the school men—day school, night school, faculty meetings—everyone's problems—but beyond it all the satisfaction of being in the front lines where the shells are dropping and the action is thickest—this is at once the woe and the joy of the school administrator.

This is the council of elders—the inner circle of minds, representing the people of Massillon and translating the popular will into an educational program. Their responsibilities include everything from routine details to major changes in the basic planning of the program. They have heavily felt the stress of wartime, but the work must go on.

No salaries, but merely the satisfaction of serving the community, compensates the board members for their efforts. When all is well, nobody knows these men. A man renders the highest possible service to his community by helping to direct its education. To be popular—yet wise and brave—this is a rare combination. But one must be all three to fill the shoes of a board member.

U. S. ARMY BOMBER
entitled
Spirit of OHIO'S MASSILLON HIGH SCHOOL

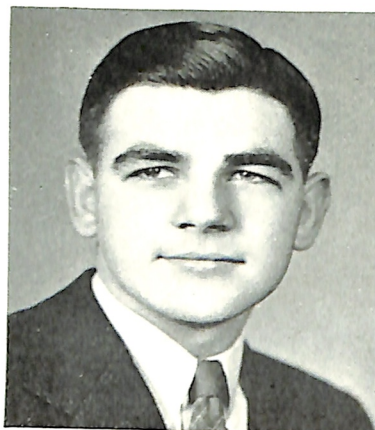

WE CHRISTEN A BOMBER

In the fall of 1942, when the winey atmosphere of the evenings fairly reeked of football — Uncle Sam (through his local branch, Cappie Spuhler) got an idea. Why not sell War Bonds and Stamps at football games? The idea appealed to Miss Helen Smith, advisor of the Girls' Friendship Club. For two games, this fine organization "carried the ball." Then, when the load became too great, it became apparent that an organization would have to be formed for the single purpose of selling bonds and stamps. Miss Bernadine Bell and Miss Carolyn Clark took charge of the new organization, which (all girls!) called itself the GABS, or Girls Auxiliary Bond Salespeople. With a goal of \$10,000, these girls, under the student command of Norma Ackley and her assistant, Carolyn Smith, cooperated with the band in this patriotic work. That old \$10,000 goal was passed so swiftly! From there on the goal was pushed back like a horizon to a pilot. When the smoke of the McKinley game (don't try to recall it) cleared, a grand total of \$105,000 in sales for the season had been realized. Then came the fruits of labor. The United States Treasury Department authorized a bomber—no less—to be christened "The Spirit of Ohio's Massillon High School."

Now there is a sermon in all this. Some day in the South Pacific a Jap pilot—a Jap battleship captain—a Jap submarine commander will go with their ships to whatever happy hunting grounds Japs go to; and they will all "save face" by saying it was a spirit that got them. For once Japs will be right. For indeed it will be a spirit—"The Spirit of Ohio's Massillon High School." You never can tell what will happen when you harness the magnificent spirit of old Washington High to a good movement. God speed our bomber! Tell Kaiser to start a battleship for our next year's christening.

Lawrence Tintor

George Howells

Charles ("Chuck") Holt

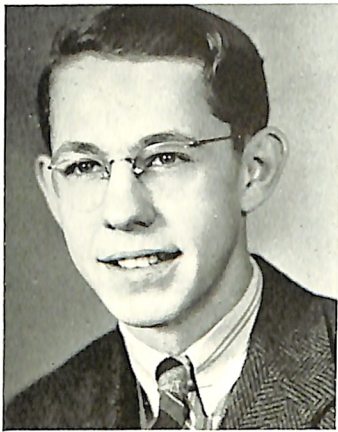

Ada Reynolds

Lawrence Tintor is one of those "rare birds" who have the courage to change their minds in mid-stream. Deciding late that he wanted to attend college, he changed his course. Four point scholarship, a regular job, Student Council, Stark County Bond Contest—sounds like three people. Nope—just one good one.

Charles ("Chuck") Holt would deserve fame if only he had played great football. But he played hard at basketball, and he is a good student, and has never lost the ability to "be his age." He can walk with kings without losing the common touch. Hi-Y is proud of his membership.

George Howells is a clear example of the restless, burning energy that marks a quest for the meaning of life. In a sense all his activities have a common denominator—cheer leading, dramatics, speech, Canton Theater Guild, N.F.L., Thespians, Hi-Y. No book worm is George—but where he concentrates he usually succeeds.

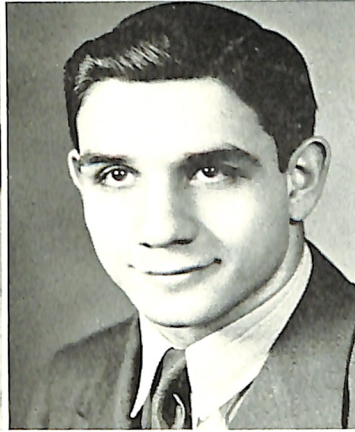

Ada Reynolds is student director of the choir. You may be sure that is no mean honor. And for most people, that would be enough, in addition to superior (three point four) scholarship. But witness the array of other activities! Orchestra, Girls' Ensemble, Canton Junior Symphony—(could she be musically inclined?) Woman's Club (president), Friendship Club, Big Sisters—When people like this get to the war effort—H-H-H-(Heaven Help Hirohito).

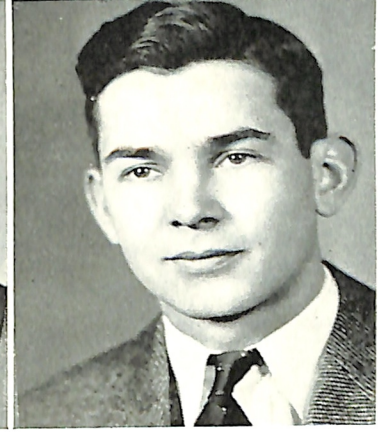

Delbert ("Skip") Demmer

Donna Atkinson

Fred Cardinal

David Brenner

Delbert ("Skip") Demmer is an outstanding member of a very outstanding organization — the Washington High School Band. Now everybody knows that just **ordinary** membership (if such there be) in the band consumes more time and energy than any other two activities. That's what makes his scholarship (three point nine) so extraordinary. (And he's in Hi-Y, too.)

Fred Cardinal's name appeared in more sports copy than the name of any football player "these hyere parts" have witnessed in many a day. Wasn't it uncanny how merely to insert him in the lineup in the second quarter changed the whole complexion of our ball team? (Remember the Lincoln, Nebraska, game?) When out-of-towners would gush about what a footballer Fred was, it was a popular Massillon custom to say—"Brother, if he just weren't so badly injured—", and then watch the visitor swallow his bridgework. Injured or no, Notre Dame was happy to have him.

Donna Atkinson — dramatics, speech, N.F.L., Student Council, Girls' Friendship Club, National Thespians, Big Sisters—no, this is not an official list of the activities offered at W.H.S. (But it's near it.) Donna Atkinson's scholarship (three point eight) is amazing in view of the above array of "extras." The point is, she has been outstanding in the activities, too.

David Brenner is one of those fellows who succeed by "plowing deep while sluggards sleep" (no corny remark). The amazing thing about him is his extreme quietness. Courses don't come too tough for this scholarship shark (four point, oh!) When "Dave" picked an activity, he most surely was not seeking the lime-light—he chose advanced chemistry. He is our choice for "most likely to succeed."

It has been pointed out before—six hundred sophomores become four hundred seniors. So seniors, in a sense, are the cream of the whole crop. But wait! From four hundred seniors, fifty are qualified, from four viewpoints, to be members of the National Honor Society. This exclusive organization is nation wide, and just to be known as a member of it will open many doors to you.

Scholarship is important, but one must be honored height. Character above reproach—vastly more than a bookworm to reach this leadership and service beyond question—then a sufficient number of recommendations from the faculty—all these hurdles must be mastered if you would attain the honor society. And having attained it—you are marked as one from whom the world has a right to expect a high order of citizenship.

2.

Joe, they're a funny lot - these seniors I mean. They put on a steel exterior - carry an air of worldly wisdom that almost breaks you down, but just get into a jam once and ask the aid of one of these prodigies, then watch them melt.

Let me warn you, pal, - remember you're a soph when you talk to the wise one, and keep humble. Remember, you'll be a senior some day, and no foolin' - it does take some work and some "stuff on the ball" to get there. If you doubt it, look at the figures - six hundred sophs and four hundred and fifty seniors; the hurdles get the rest.

GRADUATION IN WAR

The school year 1942-43 has been one of many sharp changes in the school program. Seniors have borne the bulk of the load involved in these changes. A program of physical fitness was put in force, all senior boys being required to spend two days per week in calisthenic drill, one day at rifle practice, one day in swimming, and one day in first aid. Not a complaint did a senior make. Fifty seniors have gone to the armed forces. One hundred and fifty seniors are doing part-time work in war industries in addition to full schedules of school work. Forty senior girls are learning to operate lathes, milling machines, shapers, drill presses—(the better to polish Hitler with, my dear). All this adds up to one thing: Old Massillon always does its part. And seniors are surely doing theirs. We can only hope that other "classes of '43" are doing as well. For if they are, Adolph may well shiver in his boots.

This is going to sound like old stuff, but take it from me - it's the real M^s Cay. It's the classes that give you that something called education. If there's one idea that's firmly imbedded in the minds of the people - it's that everyone needs an education. Joe, find out what courses you should take to get where you should take life. For if there's anything that will take the sting out of education, it's knowing from the first day on just where you're going. Make fun of classes if that suits you, but when you're in them - make everything you can of them for Joe Sophomore.

Mummy rehearses with Reed and Stout

Joe, whatever you do - don't worry about missing the ball once in a while, but don't miss the clubs. They're the spice of life at old W. H. S. Don't wait to be asked, but just wait out right away what clubs are open, choose one, and get in. You'll be surprised how many doors will open right up to you. The first thing you know you know everybody - the ice is broken, and the toughest going in high school is behind you. They make a lot of fuss about football at W. H. S., but they turn the proceeds into the club treasuries, that is what keeps them good.

Band shows results of hard work.

Majorettes rest between shows.

Joe — I want to take a
 long breath on this one. You've
 heard of those little Swiss valleys
 that pride themselves on their
 music boxes? Well, that's the
 way here at W. H. S. We've had
 famous choirs S. E. S. (since
 Elizabeth then) and famous
 bands S. E. B. (since George
 Bird). Their fame is based —
 not on "flashes in the pan,"
 but on solid musicianship.
 When you watch these organizations
 perform, and think of all the
 training that went before —
 and when you reflect on
 the numbers of people whose
 leisure time in later life
 will be happier by this
 much — you want to say —
 ain't education grand?

Tigers leave stadium after a hard workout.

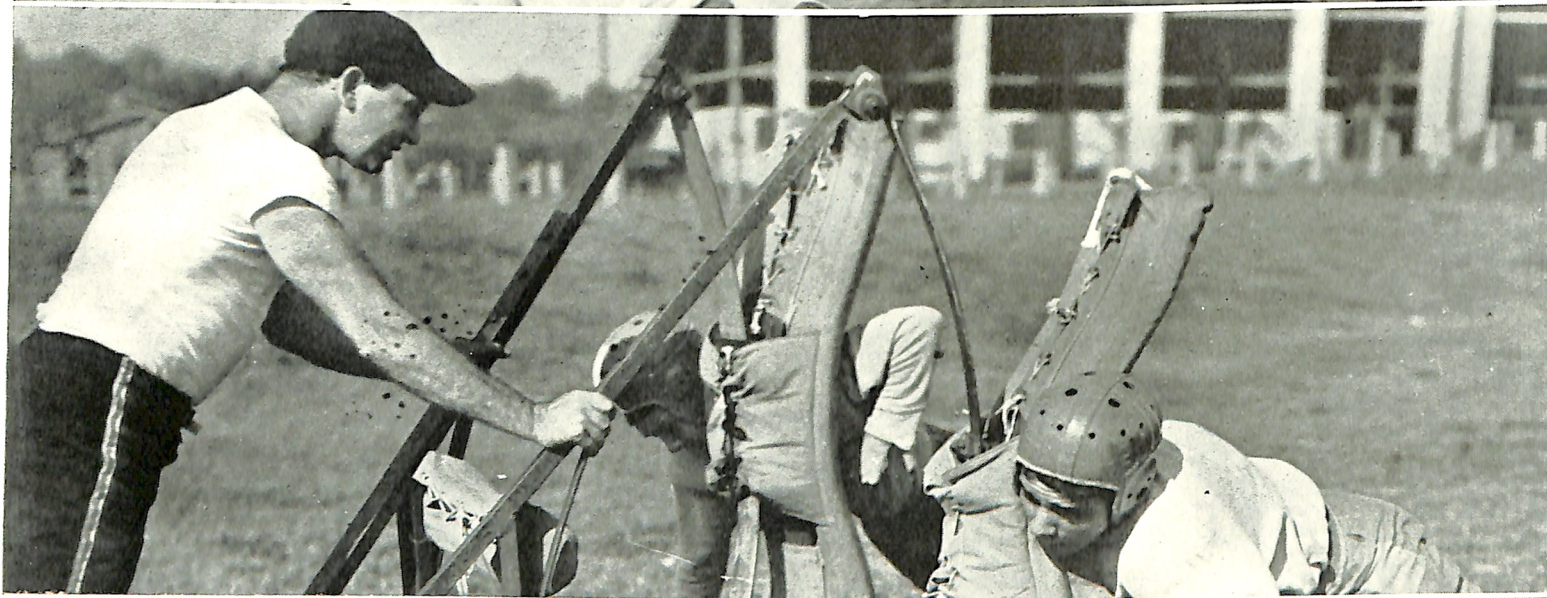

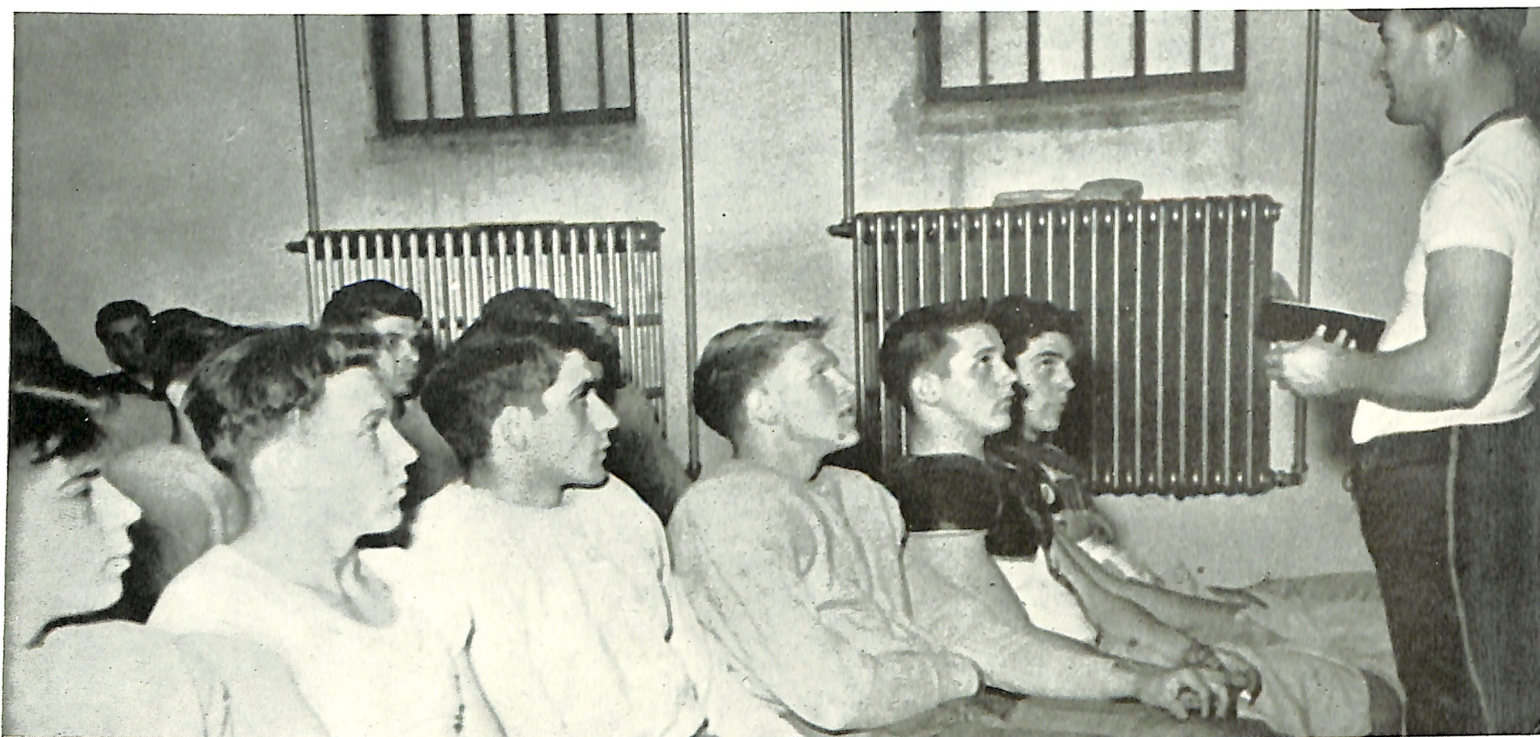

Weisgarber comes out for a breath of air.

Joe, old boy, you're going to be a part of a great show next fall when our smooth football machine polishes its first opponent (and don't let them kid you about that last game in '42); you'll realize that W.H.S. is strictly big time stuff. People in the stands will talk less about the rent and the coal bill, and watch the ball a little more closely.

This guy Hammer will cut new notches in his belt next fall, (and I don't mean hill lose weight!) We make so much fuss about football that you'd think we didn't play basketball, but just notice the scores! Remember this - we take our sports seriously at W.H.S. There's a reason!

MASSILLON, OHIO

ESTABLISHED 1863

Tigers Complete Successful Season

TEAMWORK AND BLOCKING STOP FOES

Massillon's Tigers opened the 1942 football season with seven straight Ohio Scholastic Football Championships behind them. Massillon's new team also had the job to carry on a record of 43 wins without defeat. With a new coach this year's Tigers stepped into a position that took years of hard work and strategy, plus a still older spirit to "Carry on for Massillon," to produce. It has become a football tradition that Massillon produces great coaches and star players, many of whom reach the top in many of our high ranking universities and colleges all over the United States. These thoughts are on the mind of every Tiger player as he comes out of the huddle with the coach and team and takes his position on the field for the opening kickoff!!

OPENS WITH LATIN

The Massillon team showed great promise to remain on top of Ohio Scholastic football as they crushed Cathedral Latin in the opener 38-0. Latin fought hard all the way but were completely overpowered by the Tiger line and fast breaking backs. The opening score was well-earned as it terminated a fifty yard march to the four, where Bob Graber cut through right tackle for six points. A 36 yard drive set up by Graber on an intercepted pass, and run over from the two by Chuck Holt gave the Tigers their second marker. Holt c'imated a 92 yard march by breaking through from the seven yard line and kicking the 19th point. In the opening of the third period Bob Wallace cracked through Latin's defense and blocked Brown's punt. His brother, Barney, picked the loose ball up on the eighteen and ran over for the tally. The last and most sensational touchdown of the game was a 90 yard sprint by T. Y. Gibson, a substitute. This run showed perfect downfield blocking by the Tigers.

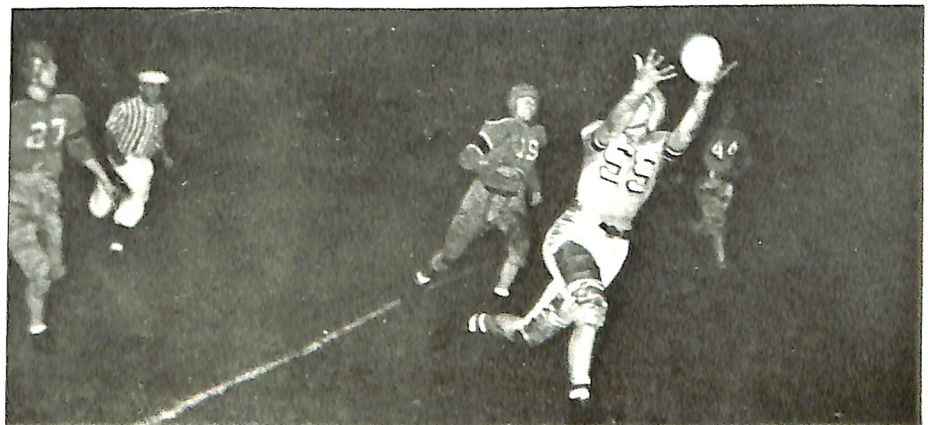

WEIRTON NEXT

Massillon combined running and passing attacks to take the invading

Weirton, West Virginia, team 26-6. Taking the ball after the kickoff on their 20 yard line, Holt and Bray with the help of two penalties put the pigskin on Weirton's 35. Then Captain Holt smashed through right tackle and raced over for the score. Graber returned Weirton's punt to the 29. Keve Bray then broke loose on a sweeping end run followed by another that took the ball deep into enemy territory. After three plays, Bray again broke loose and after evading several tacklers scored the second tally. Holt plunged over for the extra point. A pass to Bray and a quarterback sneak by Cardinal put the ball in pay dirt territory again. Two passes from Graber to Jasinski and Bray gave Massillon the touchdown. Holt converted. Weirton led the third quarter and made their only points then as Dick Clover set up the touchdown and Bouyoucas ran it over. In three plays Holt and Graber had the leather on Weirton's 5 yard line where Graber took it over for the final score.

NEBRASKA TEAM TRIES TIGERS

Speed beat weight once again as Massillon came from behind to smash Lincoln, Nebraska, 40-6. After an exchange of punts in the first quarter Lincoln opened up and scored the touchdown on two passes from Gene Kickendall to Roger O'Donnell. This was Lincoln's offense for the night, for Massillon then took full control. Keve Bray on a 30 yard end sweep tied the score at 6 all. A plunge by Chuck Holt after a group of running plays

made the next marker. Then Massillon blockers grabbed their well deserved glory on smashing blocks that opened a path for Bob Graber's 85 yard touchdown run after he had intercepted a Lincoln pass. In the opening of the second half again the touchdown-thirsty Tigers scored on a pass to Jasinski and a 22 yard end around by Graber. Holt converted. The next two tallies were made by the Tiger substitutes. Twice, Tyre Gibson put the leather deep in Lincoln's territory where Henry Mastrianni and Romeo Pellegrini then took over for the last two markers. Jasinski lugged over a loose ball for the extra point.

MASSILLON SUBDUES ALLIANCE

With the word victory on their minds the Massillon Tigers shot the Alliance Aviators down with a 34-0 setback. The Aviators were sent into a spin on the second play of the game when Keve Bray skirted 25 yards to cross the last white line. The Tigers then started a 76-yard march, climaxed by a touchdown pass from Graber to Bray. Holt kicked for the extra point. The second half showed Massillon again at the controls. Holt carried the kickoff to the midfield. Graber took it to the 27 and heaved a pass to Don Willmot who went the rest of the way. At 21-0 Vernon Weisgarber blocked Dick McClurge's punt which fell in the clutch of Fred Cardinal who ran the remaining 35 yards for the next 6 points. The big feature of the game came when Bob Graber did an encore to his last week's performance by again intercepting a pass and going for a touchdown. He caught it on his own goal line and behind superb blocking that made possible the other long runs of the game was guided 97 yards for the spectacular touchdown.

STEUBENVILLE'S ONLY LOSS

Before 18,000 thrilled fans the mighty Massillon Tigers came from behind to throw off the Big Red of Steubenville, after trailing the first half 7 to 6. The second half was a different story, however, for the final score was 33-13, another Massillon victory. The first touchdown was Steubenville's as they took advantage of a Massillon fumble. Johnny Stojack ran a fake reverse around right end for the score. Then the Tigers roared back as Chuck Holt took the ball on the Big Red's 10 yard line and plunged through for the touchdown. The second half was all Massillon. Holt again knifed his way through to put Massillon in the lead. Graber ran the extra point. On a 56 yard march Bray ran left end for the score. Dallas Power then smashed his way over from the 1 yard line for the next tally. Holt converted. A pass from Brown to Roush gave Steubenville its last touchdown. Graber accounted for the Tigers' final marker, going over from the 1 yard stripe.

SWEET REVENGE

The Massillon Tigers then invaded the den of the Mansfield Tygers, craving revenge for the 6-6 tie of last year. Massillon got it by the score of 32-0. Late in the first quarter Keve Bray flashed around the left end for the first score. Chuck Holt plunged for the extra point. The next tally was made by Bob Graber who dropped back to punt but tricked them, and crossed the goal line after displaying some fine running. Holt converted. Bray again sparked as he cut through left tackle for the next marker. Bray next grabbed a Mansfield pass and worked it to the one where Holt banged over for the touchdown. A pass from Graber to Willmot set up the last one as Bray dashed through a hole in the right side of the Tygers' line.

FIFTY WINS

Warren was next in line as Massillon rolled up their 50th win without defeat. Taking advantage of an early

fumble, Massillon had their first touchdown after three plays with Graber lugging it over. A poor Warren punt and the Tigers were again on the march, with Bray scoring from the 13. Holt plunged over for the extra point. Chuck Holt then broke loose for a 45 yard run putting the ball on Warren's 12, and Graber went over for the third score.

A 56 yd. drive in the third period with Fred Cardinal taking it over from the 1 accounted for the next tally. Next came a 74 yd. dash by Keve Bray on a deep reverse screened by Massillon's powerful line. Vernon Weisgarber, star linesman, controlled much of Warren's offense, once throwing Warren's back for four straight losses.

SURPRISE AIR ATTACK DEFEATS WAITE

The Massillon Tigers again pulled a trick out of the bag and a shower of passes told the story. Toledo Waite's tight ground defense was of no use as Massillon's passes zipped over the Indians' heads to give the Tigers a 34-13 victory. Romeo Pellegrini did the passing for Massillon. His first was to Don Willmot for 51 yds. to pay dirt. Cardinal converted. This was followed with another quick tally, a short pass to Cardinal who again kicked the extra point. Waite then scored with Horvath banging through for the touchdown. Barney Wallace blocked a Waite punt that was scooped up by Chuck Holt to make it 20-6. After a scoreless third period a short pass, Pellegrini to Holt, following an 88 yd. drive gave Massillon their next marker. Pellegrini heaved a 56 yd. pass to Willmot for the Tigers' final tally. Smith went over from the two for Toledo Waite's next six points. Sam Yelic was thrown behind his own goal after intercepting a Waite pass giving the Indians a safety.

CLOSE CALL

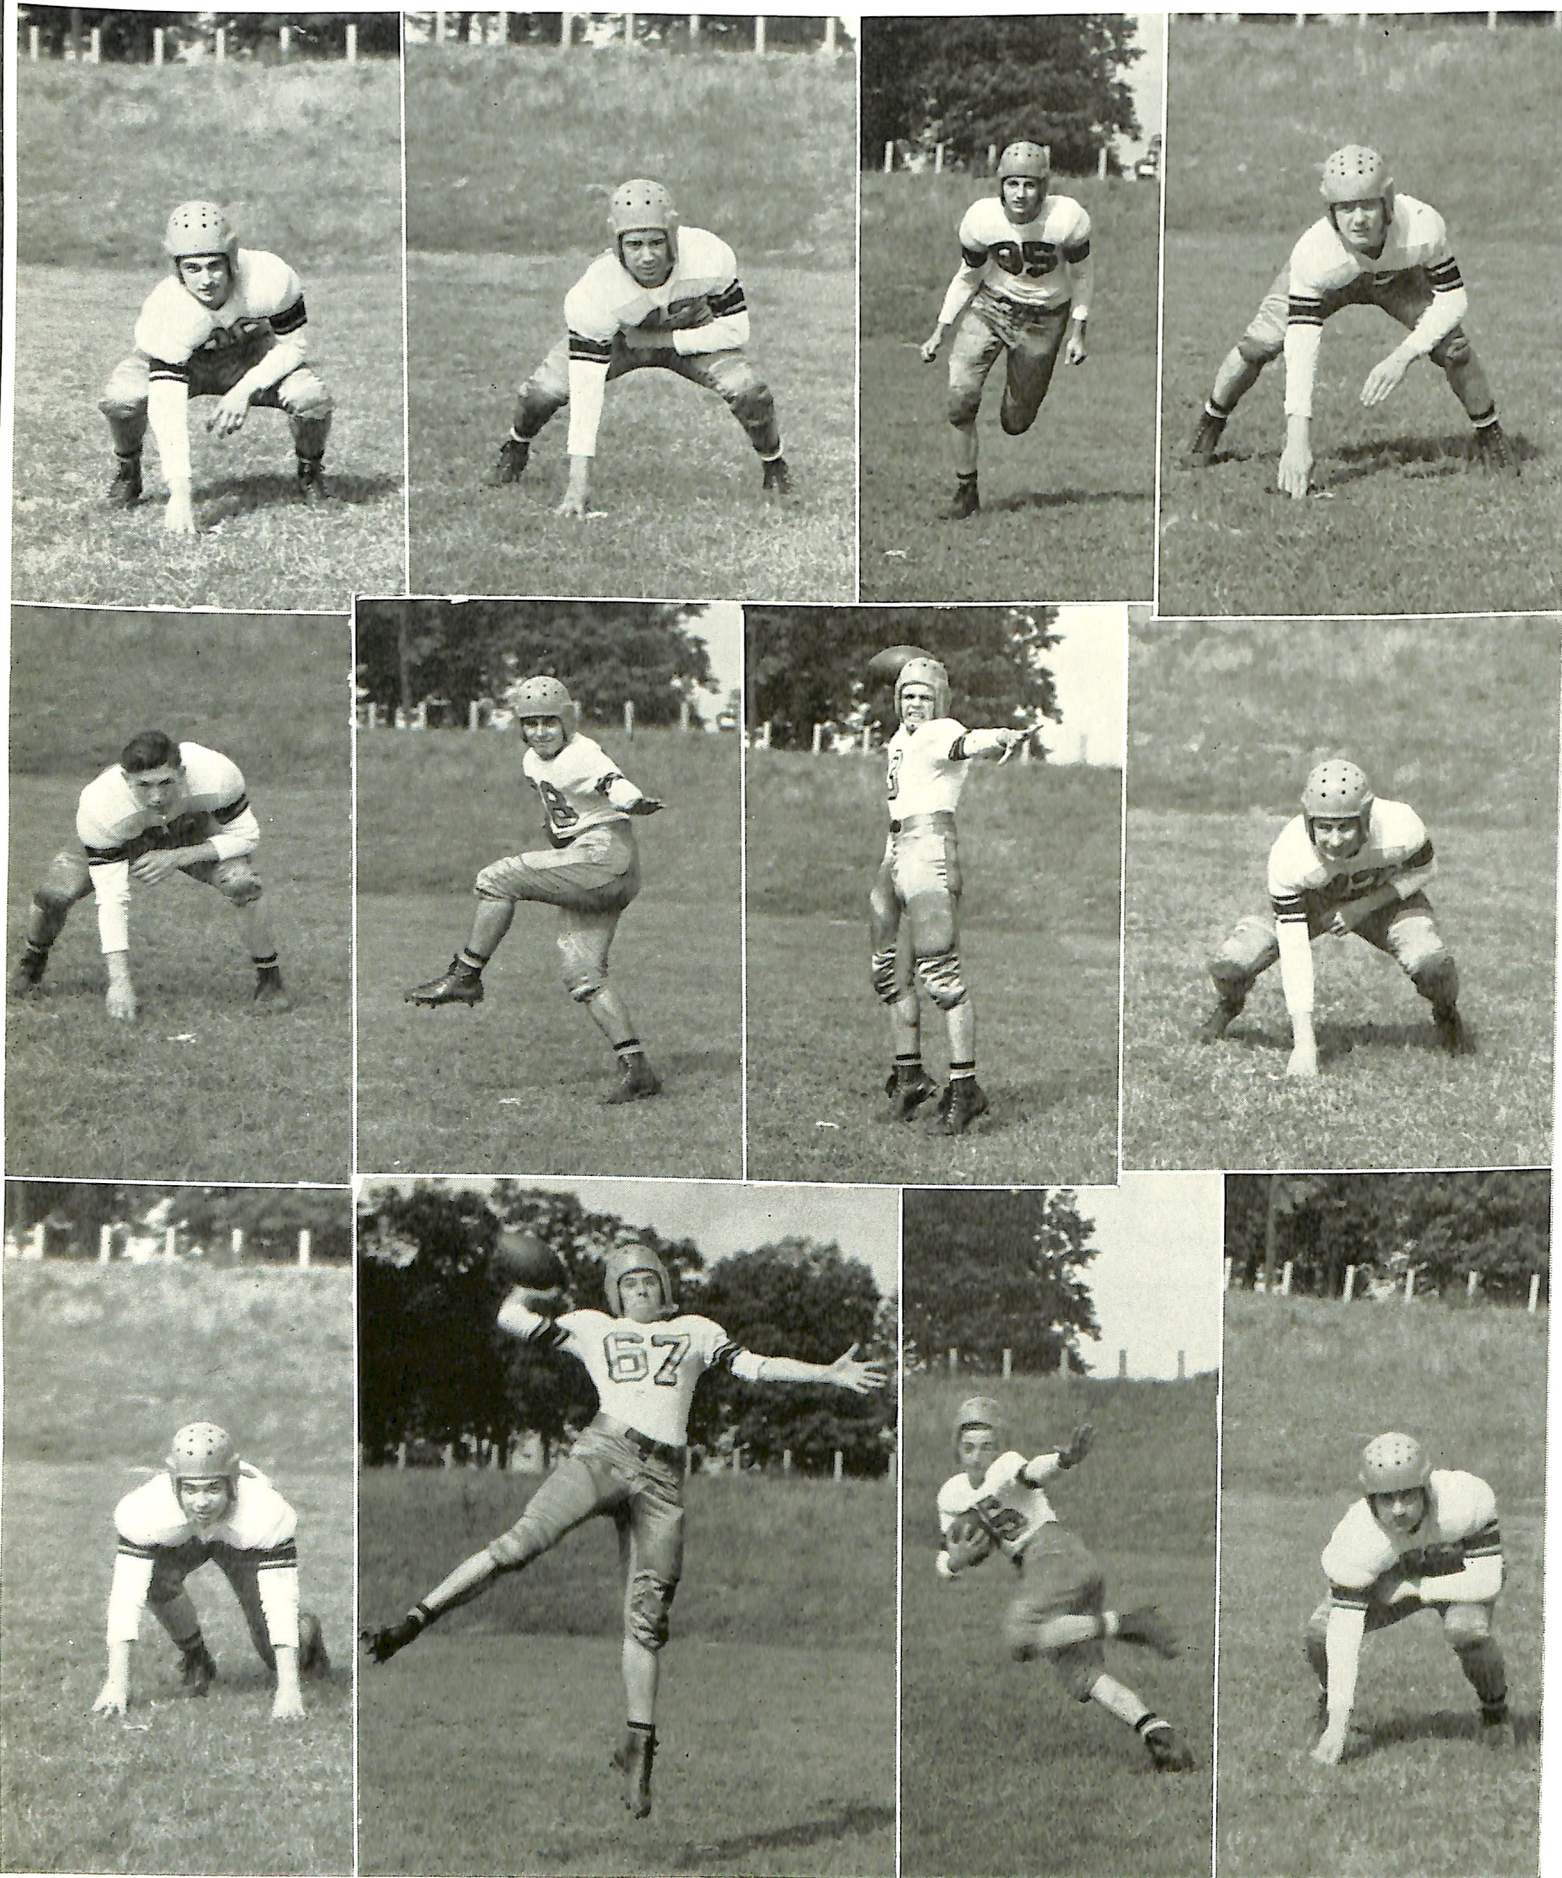

The Tigers ran into a big surprise at Erie, Pennsylvania, where they barely came out on the winning end of a close shave 13-6. Massillon's first touchdown came early in the first period when Fred Cardinal pulled down an Erie pass and took it to the foe's 30. A 24 yard pass from Pellegrini to Holt put it on the four where Holt then took it over for the score. Karl Paulik "stole" the ball from an East runner on their 29 yd. line. This gave the Tigers their last touchdown as a pass and two runs put the ball on the one where Chuck Holt broke through. Fred Cardinal kicked the conversion. Erie then found themselves. A Massillon fumble gave the East side Warriors their chance. Swanseger tossed a pass to Kil-mow for 15 yds. Delinski ripped through to the one where Kil-mow smashed through for the tally. The second half showed all defense.

THIS IS IT

Before 22,000 stunned fans, the Massillon Tigers' victory string was snapped at 52 straight wins without defeat. The Canton McKinley Bulldogs completely overpowered the Tigers by a lopsided score of 35-0. A poor kick gave Canton their first touchdown with Dominick smashing over. The second came a half minute before the first half ended when Dominick again scored, climaxing an 80 yard march. A safety for the Bulldogs opened the second half. Next came a 47 yard dash through center by Jack Crider for McKinley's third tally. Crider got the Bulldogs six more points going over from the four. Dominick converted. Ernie Parks went around right end from the seven for the final touchdown of the game. This ended 1942 football for the Tigers but 1943 will show a new feature as the famed Massillon Tigers start from scratch to build new and greater records for the future football highlights.

Basketball Season Reviewed

The Massillon Basketball Squad opened their initial game of the season by downing Akron Central 51-47. Central had the speed but needed some of Massillon's height. The score switched back and forth throughout the game until Blankenbicker finally pulled the game out of the fire by sinking two fielders in the closing minutes. Akron's pride and joy, Hank Vaughn, took scoring honors with 29 points. The Tigers were paced by Harrison.

Playing listless ball the first three periods, the Tigers tried to make up for it by a last quarter rally; but fell short as they were defeated by Canton Timken, 36-33. The Massillon boys stood up under pressure as they cut an 11-point lead to only three points. Joe Harrison netted 12 points.

The Massillon quintet scored a surprising 41-37 victory over Akron North in their first invasion of the season. The Tigers' height saw them through from beginning to end. A late North rally failed. The scoring was equally distributed among the Massillon players with Williams getting 13.

The Canton McKinley Bulldogs lead the entire game to sock a crushing defeat on Massillon by a score of 45-33. The Tigers were unable to get the ball off of the backboards while the Bulldogs just pecked away at the baskets. This was Weisgarber and Harrison's last game against Massillon's old rival, McKinley, as they were soon to be inducted into Uncle Sam's armed forces.

Winning their first county series game of the season, the Massillon Tigers topped Alliance 40-31. The Tigers showed a faster offense than at any time this season although they threw the ball away frequently in fast breaks. Good follow-up shooting gave Williams scoring honors with 12 points.

The Tigers came through again to beat Canton Lincoln's spirited cagers, 40-28. Massillon's principal threat was a fast break that shot the locals into a 9-point lead. It was a closely officiated game with a total of 37 foul violations. Weisgarber sparked the Tigers with 12 points.

The Tigers played aggressive ball to cop their fifth win and turn in their best performance of the season. Massillon outfought Akron Kenmore under the basket and showed improvement in their passing. Williams scored 14 points in the first half to share honors with Holt in Massillon's 44-34 victory.

After a brilliant fourth period rally to overcome a 9-point lead and tie the score at 37 apiece, the Tigers dropped the game to Akron South in the last 15 seconds on a South fielder. Tom Jasinski and Keve Bray turned in Massillon's top performances of the game. The score was 39-37.

In the roughest game of the season Akron St. Vincent edged out the Tigers 23-22. The lone referee had a hard time keeping up with the spirited play. The lead

switched back and forth the whole game. "Doc" Williams, Massillon's leading scorer, was high with seven points in the low scoring tilt.

Bob Williams and Tom Jasinski scored goals in the last two minutes to bring in a victory over Canton Lehman by the score of 42-38. The packed gymnasium fairly shook amidst the excitement of the fans. Lehman had set the pace until the last quarter when the Tigers took over.

Scoring their second upset in a row, the Massillon Tigers took revenge for the defeat earlier in the season by downing Canton McKinley 40-38. The locals built up an 11 point lead in the third period by displaying their best fighting spirit of the year. Then came a Bulldog rally but it fell short and the final buzzer ended the game. Jasinski gathered 16 points to top both teams in scoring.

The Tigers dropped their fourth game to an Akron team by three points or less, as they were topped by the Akron East quintet 35-32. The locals had a six point advantage going into the final quarter. East then got to work leaving Massillon with a three point deficit at the end of the game. Williams led the Tigers with 13 points.

The Tiger basketball team won their second game with Alliance by a score of 30-25. Leading the first three periods the locals nearly threw the game away in the fourth period, but they steadied soon enough to regain control of the ball and march to victory. Williams' five field goals made him high for the Tigers.

Fighting an uphill battle all the way, Massillon finally tied the score with a minute to play only to hand the game back to Mansfield who gladly took it by a score of 41-38. Hahn netted 21 points for Mansfield while Jasinski got 12 for Massillon.

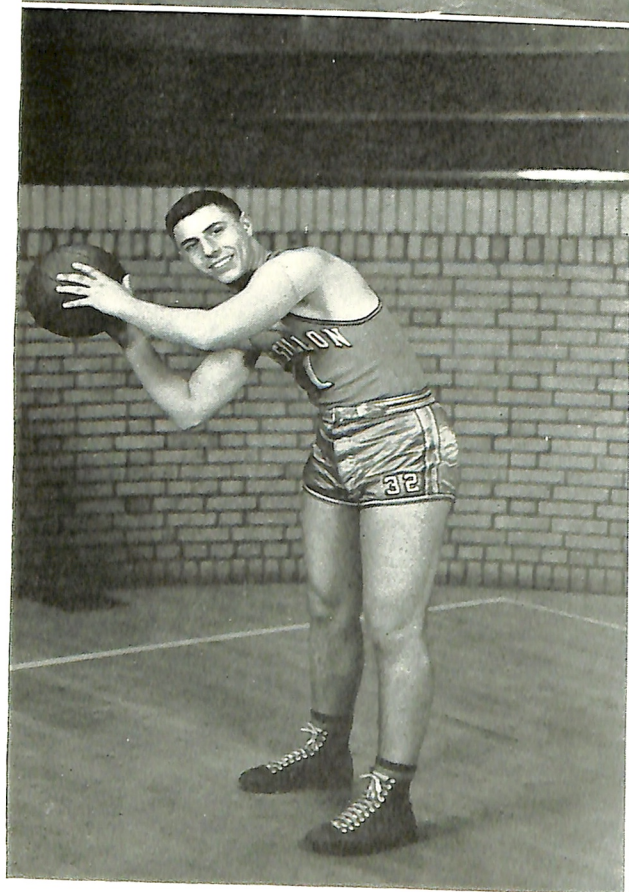

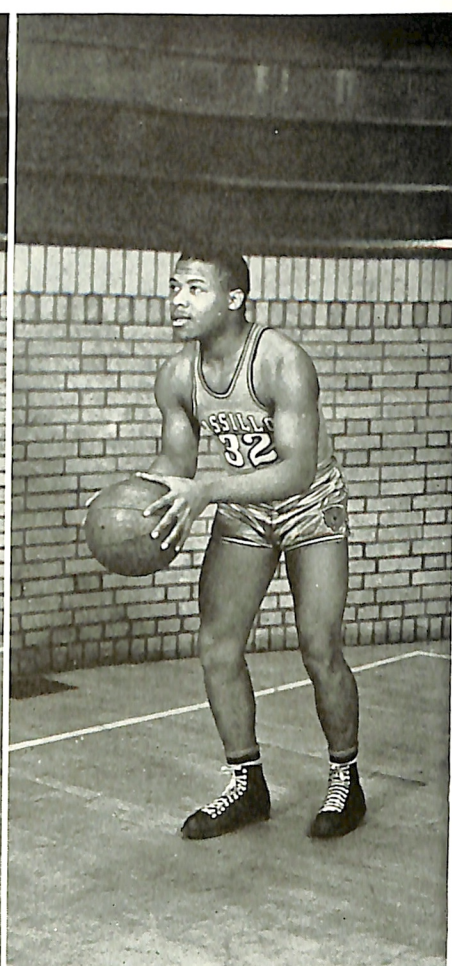

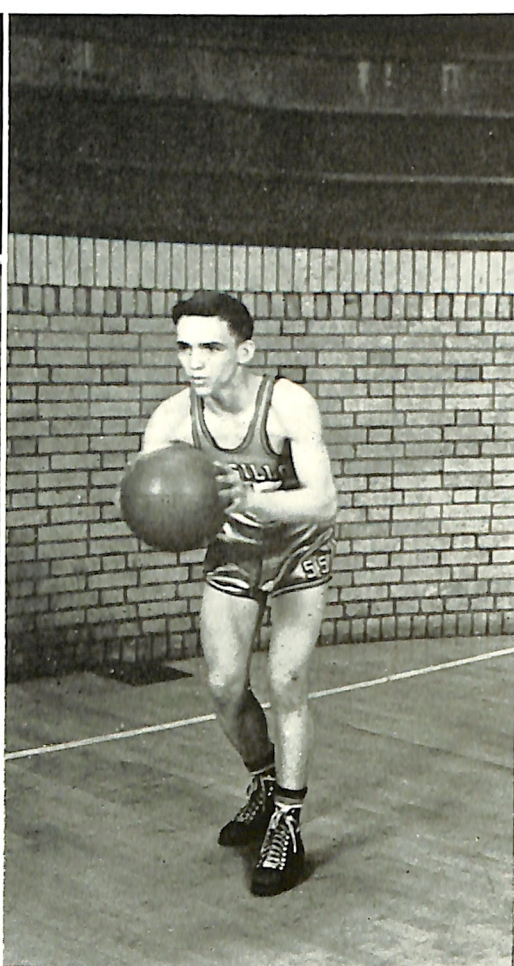

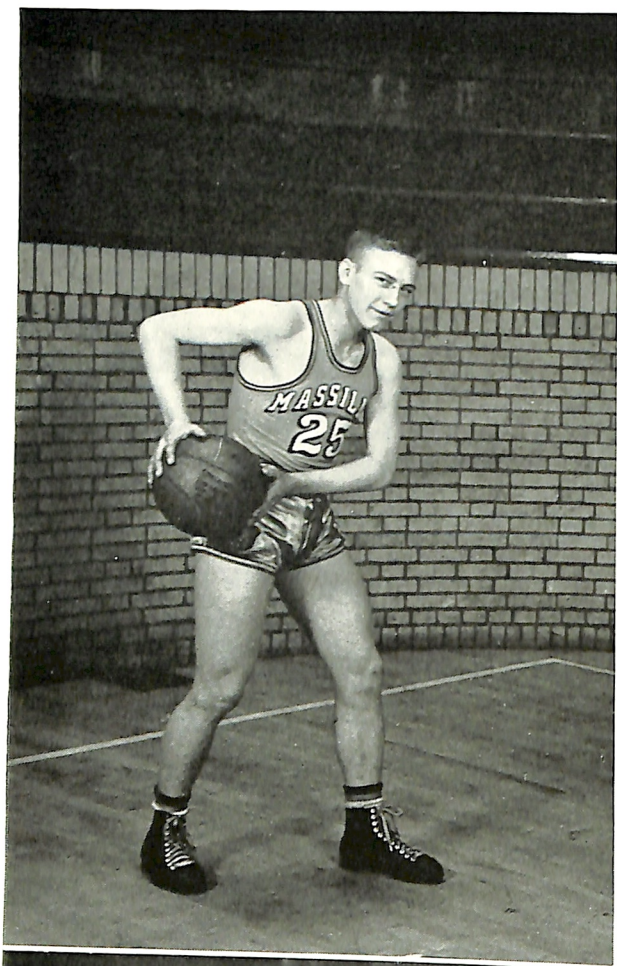

Beaten by Massillon earlier in the season, the Canton Lehman Polar Bears tied the game twice in the last ten seconds to bring on an overtime period in which they took the game 43-41. Blankenbicker was high point man for Massillon with 14 points.

The Tigers defeated New Philadelphia for an easy victory 46-35. Massillon was not pressed at any time after the middle of the second period. The Quakers were minus their scoring star, Ritter, who was injured in the preceding game. Some neat sharp shooting by LaVerne Blankenbicker and fast breaks by Eddie Cresenze led the locals in their win.

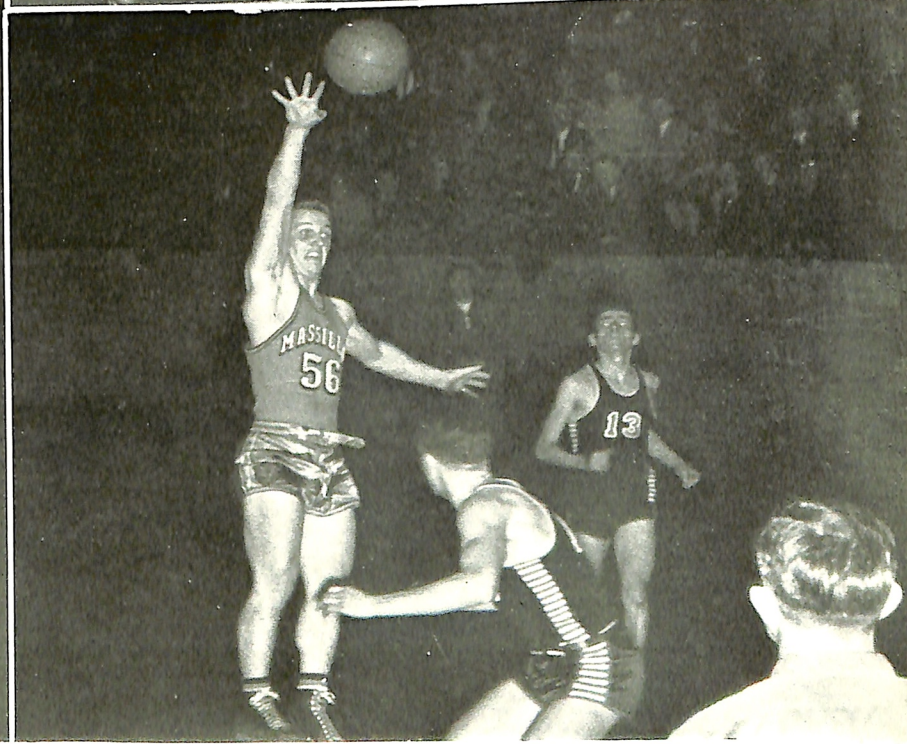

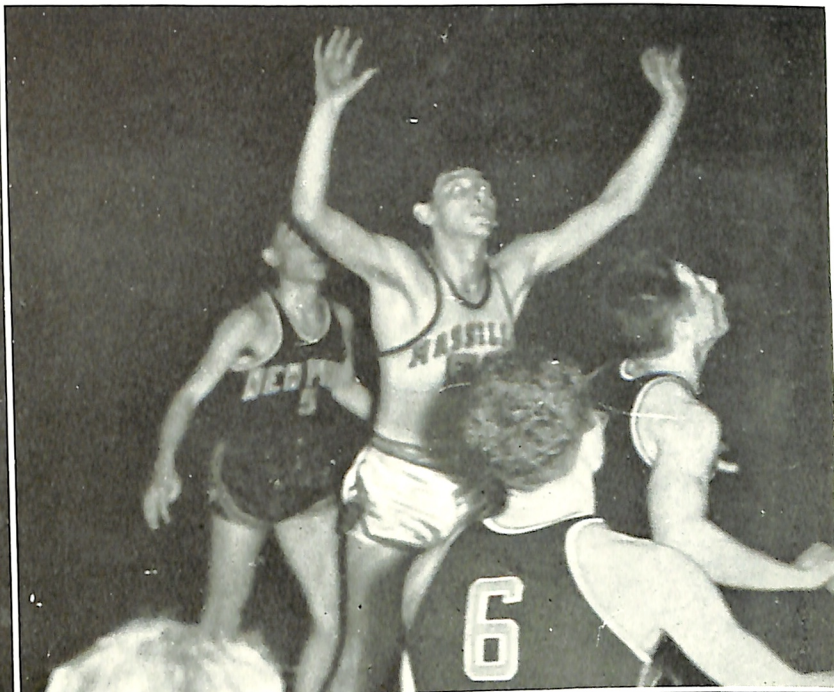

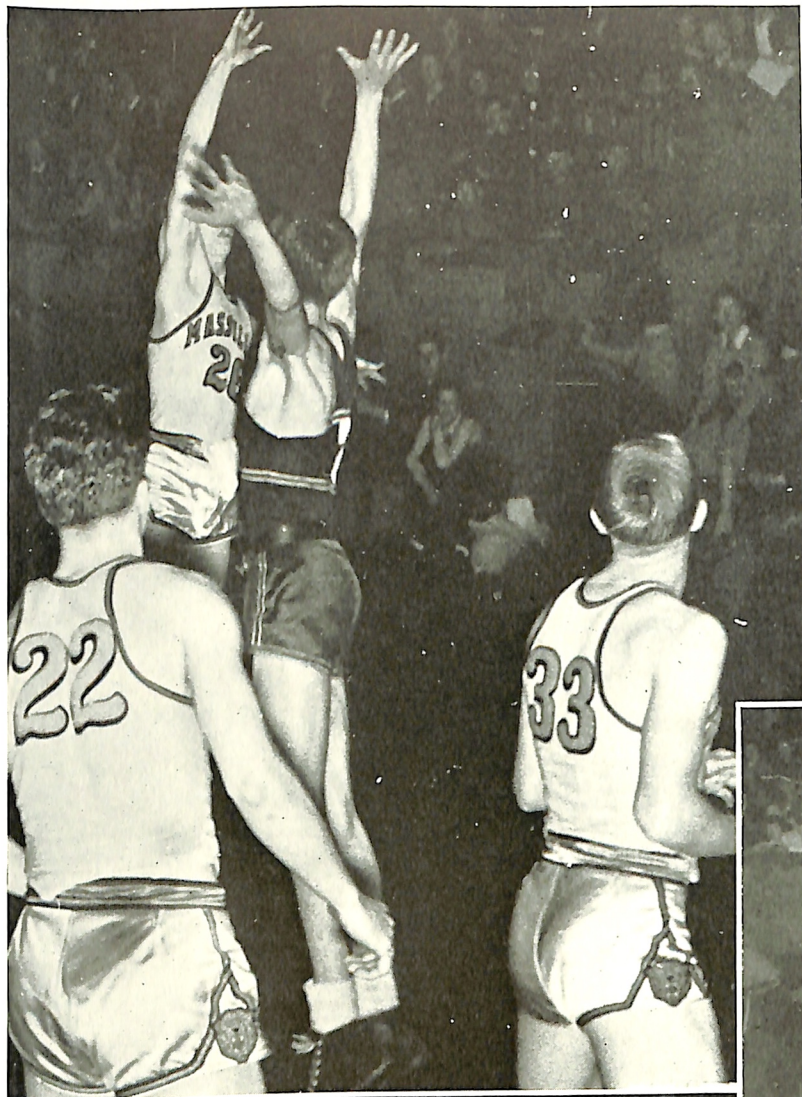

Playing their last and worst game of the official season, the Massillon Tigers bowed out by losing to Canton Lincoln 50-46. The Tigers poor defensive playing decided the game. The Tigers had beaten Lincoln earlier in the season by holding them to 28 points. Tom Jasinski caged 21 points to lead both teams.

Will go:

That's about the story. She's
a swell school, pal, as you
can see by these pages. But
let me warn you - we're
leaving, and from now on,
it all depends on you.

Keep that old ball team
winning. Keep that band
famous - and the choir - and
everything else that shines at
old W. H. S. Remember that
we made it that way by taking
what we found, and making it
better - what with a load of
leadership from a capable faculty,
which latter we're leaving you.

Remember nothing - ever stands
still - not if it depends on people.
It either goes forward or it goes
backward. We're depending on you -
go, - keep it up there.

Sincerely,

Bill Senior

SPECIALIZED TRAINING REQUIRED

In spite of the very urgent need for all types of employees, highly specialized training still pays bigger rewards in promotion, higher salaries, and more pleasant work.

There is by far a greater demand for highly skilled typists, stenographers, comptometer operators, bookkeepers, and accountants than we can supply.

Every week we receive, from private industry, Governmental Agencies, and Civil Service, many more calls for help than we possibly can fill.

Our students are placed in good positions just as soon as they are properly trained.

Make your plans now to start your course in summer school. Start immediately after the close of High School.

Your Printer...

*is he your Partner
or your Victim?*

- You are in business to make money.

Your ability to do this depends upon how efficiently you operate, and how effectively you sell your products.

In these two functions, your printer can play an important part. His knowledge of efficiency in forms and records for your daily "paper work" speeds office and factory routine. His creative ability supplies sales literature that builds volume and profits.

In the long run, you cheat yourself when you play one printer against another in buying printing on a price basis. You are handicapping the working power of a man who cooperates with the administration and development of every department in your business.

Make your printer feel that he is a vital part of your organization, and you will be assured of much greater value from your printing in many ways.

The real test of effective printing is not what it *costs* but what it *produces*. And the only way to get good printing is to find a good printer and make him your partner . . . not your victim.
